In the Matter of:

THE APPLICATION OF SOME RESIDENTS OF )  
SPENCER COUNTY FOR EXTENDED AREA ) CASE NO. 8860  
TELEPHONE SERVICE WITH LOUISVILLE )

O R D E R

On May 29, 1984, South Central Bell Telephone Company ("Bell") was ordered to perform the necessary study to determine originating traffic between the Louisville and Taylorsville exchanges as described in the Commission's EAS guidelines, and to be prepared to present the results within 30 days after the end of the data-gathering period.

On April 11, 1984, the Commission received a letter from Bell requesting an extension of time until September 30, 1984, to present the results of the study to the Commission.

In order for Bell to perform the traffic study during a representative period, the Commission FINDS that this extension should be granted.

IT IS THEREFORE ORDERED that the requested extension be and it hereby is granted and Bell shall be prepared to submit the results of the traffic study no later than September 30, 1984.

Done at Frankfort, Kentucky this 13th day of April, 1984.
